In order to receive take-home doses of my medication, I, __________________________, agree to the following conditions to receive take-home (or "carry") doses.

☐ I am aware that the accidental ingestion of even a small amount of my medication by a child or other person who is not a regular user could result in overdose or death.

☐ I will store my medication in a safe, locked location that cannot be accessed by other people or by pets.

☐ I will not sell or share my medication with another person. I understand that doing so is dangerous and may lead to loss of access to take-home doses or removal from the program.

☐ I will provide a urine sample within 24 hours of being asked. If I do not provide a sample as requested, or illicit drugs are found in my sample, I may lose access to take-home doses.

☐ I will bring my medication to my clinic or pharmacy within 24 hours if asked to do so. If I do not, I may lose access to take-home doses and have to return to daily witnessed ingestion.

☐ I am aware that I need to always bring my medication to all of my medical appointments for assessment by clinic staff. If I do not do this as requested, I may lose access to take-home doses and have to return to daily witnessed ingestion.

☐ I understand that I must be able to meet the above requirements to receive take-home doses. If my situation changes and I can no longer meet them I may lose access to take-home doses.
